## This amazing lake-side training camp unlocks hidden potential

*A satisfied HVAC business owner said I was very skeptical until I tried it myself. Now I send a few of my service techs, installers and managers every year and I'm always amazed at the results. This is the most unique training experience I've had in my 30+ years in the industry. I highly recommend Outdoor University – give it a try!*

## Hear what our students have to say...

**Keith M:** *The setting was great and the class was awesome. Food was first class. It was very informative and well worth the trip.*

**Toby S:** *I loved the training and being outside and meeting other technicians. Outdoor University was Great! I improved my communication skills and feel better about myself as well.*

**Ray M:** *This was a very good training program. There was a lot I learned here in the last two days. I highly recommend this class to new and older technicians.*

**Willie L:** *I liked the interaction between the instructor and students - the role playing worked well. The instructor's knowledge of subjects covered was excellent.*

**Scott L:** *This is the most unique and best training class I have ever been to.*

**Steve R:** *I liked the food and the unique way this training was conducted.*

**Jesse O:** *For once I didn't have to go to class and look at four walls all day! A great learning environment.*

**Larry M:** *You must come! Great training to build your confidence with your customers. I am looking forward to sharing what I learned with my co-workers when I get home.*

**We look forward to adding you to our growing list of happy students!**
